## JOIN THE ANTHONY RIZZO FAMILY FOUNDATION

Sample and sip your way through a night of delicious tastings at the Seventh Annual Cook-Off for Cancer. Enjoy tasting portions from more than 15 different restaurants prepared by notable Chicago chefs and served by Chicago Cubs players and coaches. Guests will vote for their favorite chefs and dishes by tipping their Cubs server. Ultimately, all tips and event proceeds will benefit children and families battling cancer, a cause close to Anthony and his family.

### THE MISSION

The Anthony Rizzo Family Foundation is a 501 (c)(3) non-profit organization founded by Chicago Cubs First Baseman Anthony Rizzo. Anthony realized during his own battle with cancer that no matter how difficult fighting cancer was for him, it was even more difficult for his family. Anthony believes that an individual does not battle cancer alone, but that the whole family battles it together. The Mission of the Anthony Rizzo Family Foundation is to raise money for cancer research and to provide support to children and their families battling the disease. The foundation is run by Anthony's family, his close friends and his management team, with Anthony providing oversight and leadership. All of us at the Anthony Rizzo Family Foundation believe that every family deserves a fighting chance.
